"Nine is fine"

Minnechaug , the *Fun* Golf Course

July 2018

Juniors and Seniors. Own the Summer at Minnechaug

Schools out for summer and the juniors have joined the seniors here at Minnechaug.

On Mondays, the seniors are in the spotlight as they claim Minnechaug to do their thing.

Run through the Glastonbury Senior center, they have been calling Minnechaug home the last few years.

On Thursday July 5th, the juniors took to the course for their first of 9 tournaments culminating in the Minnechaug Junior champions being crowned.

If you played here the first week of July you may have noticed divers in the ponds on 8 & 9. They were diving for balls, this years take 8.3K.

Minnechaug Men's club will play their annual Minnechaug Challenge. A Ryder cup style event played over two weekends. Three rounds of team match play with the final round being singles.

The winners will enjoy a steak dinner while the losers get a Hamburg. The Minnechaug Cup will be given to the Most Outstanding Golfer of the event.

Remember, our twilight rates are in effect from 6PM - 7PM Monday though Sunday. It is one a first come first serve basis.

To ride it will be $20 and to walk it will be $13. Some great golf weather can be had at Minnechaug in mid summer, so take advantage of the great prices. Hope to see you soon.

Most of the tournaments the seniors play are team formats. Above, in the third fairway Dick Smoragiewicz watches teammate hit her approach shot. These Seniors are very competitive but know they are there for the fun and camaraderie. We love having them here at the "Chaug.

Minnechaug Golf Course

Twilight Golf is finally here!
